Dear Sir/Madame,

RE: RESEARCH ON THE PERCEPTIONS OF CYPRUS COLLEGES FACULTY AND STUDENTS ON CORPORATE SOCIAL RESPONSIBILITY IMPACT UNDER ENVIRONMENTAL, SOCIAL AND GOVERNMENTAL FACTORS.

We invite you to take part in our research which will enable us to assess the perception of faculty and students on Corporate Social Responsibility (CSR) impact under Environmental, Social and Governmental factors (ESG) in Cyprus. This research is carried out by Mrs. Maria Sofroniou Petrou under the supervision of Associate prof. dr. Simona Mihai-Yiannaki from the Business School of the European University Cyprus.

CSR denotes the Corporate Social Responsibility of an organisation such as colleges and ESG denotes the Environmental, Social and Governance factors which are taken into consideration when CSR strategy is evaluated.

Your participation in this survey is voluntary. Completing the following questionnaire indicates that you agree voluntarily to participate.

We do appreciate that this questionnaire will take approximately 7 minutes of your precious time, but your input is of outmost significance.

This survey is anonymous. Kindly accept our assurance that all answers shall be treated with confidentiality and used only for the research purposes. The information to be collected may not benefit you directly, but the knowledge gained in this survey will have general benefits in the college's work in the areas of CSR and ESG in Cyprus.

In case you have any questions regarding the survey, please contact Mrs Maria Sofroniou Petrou, mp182436@students.euc.ac.cy, tel.no. 99-899420.

Initially please complete the demographic information and then proceed with the marking of each alternative statement below which fits best to your understanding according to the following scale:

- 1: Strongly disagree
- 2: Disagree
- 3: Neutral (Neither agree nor disagree)
- 4: Agree
- 5: I strongly agree

We thank you for your kind participation in this research.
